The Chief Judge himself during his inspection observed the shaky health of the municipality. Request may be granted. It may perhaps be for a short time only, as it is under consideration to change the Court-House to a better locality.

On the other hand, they were able to witness the completion of the Court-building much. It is true that in the Srirangapatna Taluq there will be work for all the Amins. They may be attached & made the residence at any one where the Srirangapatna Taluq Cutcherry has worked, but with the accumulated. 20) On the representation of the Munsiff of Seringapatam that his health has been wrecked by his residing at Seringapatam, the Chief Court have permitted him to reside outside of Seringapatam and reported the matter to Government for the approval of their action.

21) Some of the previous Munsiffs had been permitted to reside at Mysore and attend the Court from there. But in 1915 this arrangement was ordered to be discontinued on the ground that the daily journeys to and from Seringapatam would take away much of the time and energy of the Munsiff and that the work of the Court would consequently get into arrears.

22) My own opinion is that the work will not suffer by the Munsiff residing at Mysore. There is a convenient train service which enables the Munsiff to reach the Court-house before 11 A.M. and remain there till 6 P.M.. Besides in these days of motor journeys a distance of ten miles is not much.

23) The Dewan and the other Members of Council also agree in this view.

24) As the proposal of the Chief Court to shift the Court from Seringapatam on account of its unhealthiness has been negatived, it is necessary to permit the Munsiff at least to live in Mysore. The action taken by the Chief Court may therefore be approved.

To

B. Venkoba Rao, Esquire, B.A.,
Secretary to the Government of Mysore,

Sir,

I am directed to forward herewith a copy of letter No. 155, dated the 12th October 1922, from Mr. H.M.Krishnaswami, B.A., B.L., Munsiff of Seringapatam, addressed to the District Judge, Mysore, requesting permission to live at Mysore, and to request that in consideration of the serious injury to his health and that of his family which has been entailed by residence at Seringapatam, he may be permitted as desired by him to live at Mysore and go to Seringapatam daily for court work as used to be done by his predecessors.

I am to add that the statements in the letter about Mr. Krishnaswami's wrecked health have been personally verified to be correct by the Chief Judge at the time of his recent inspection of the court and that consequently he has been

Letter No.155, dated the 12th October 1922, from Mxx M.M.Krishnaswami, Esq., B.A., B.L., Munsiff of Seringapatam, to the District Judge, Mysore.

I beg to state that after my transfer to this office I began to reside here contrary to the practice of my predecessors.

Very soon all the members of my family including myself began to fall ill of malaria fever which increased in strength and frequency as time went on. My hopes that medicines would do us good proved false. Constant drugging had no effect whatever and finally we were compelled to go to the Sri Krishnarajendra hospital at Mysore and take a number of intravenous injections. But even they were futile.

On one or two occasions, I was so completely prostrated that my relations had to come and take me home for treatment. Finally, just before the Dasara holidays commenced, there was again a severe relapse im the case of all of us, and under medical advice we removed ourselves to Mysore.

Even now my wife and children are getting fever
